## About the Roundtable

Designer's Roundtable is a series of open conversations between Altium users and Altium leaders. This is an opportunity for Altium to hear directly from customers about their successes, frustrations, and ideas. We want to hear from you too! You will be able to submit your comments during Q&A.

Post-event survey

### Learn

Access a 24/7 online learning catalog with Altium Academy

[Learn More](#)

### Connect

Converse and learn from Altium designers and engineers

[Learn More](#)

### Get Inspired

Short documentaries celebrates the electronic design community.
